

By 2030, **more than 1 in 5** people will be over 65 in developed countries. We aspire not only to live longer, but to live better. Build today the health of tomorrow!

Fuel vitality and healthy living at every stage of life.

**MUCH MORE THAN JUST MARINE PROTEIN**

-  Derived from **North Atlantic herring milt**, nature's richest source of **DNA** and **nucleotides**;
-  Bioactive marine peptides for **metabolic** and **physiological support**;
-  **High bioavailability** & **purity**;
-  **No additives** or **chemicals**, **non-GMO** and **made in Canada**.

According to the OECD, by 2030, more than one in five people in developed countries will be over the age of 65. In light of this demographic shift, the challenge is not only to live longer, but to **live better for longer**.

Nutritional innovation plays a critical role in delivering targeted solutions aligned with evolving physiological needs. Taking care of the body and maintaining a balanced diet are essential at **every stage of life**: from early childhood growth and development, to adult energy and performance, and later to active and healthy ageing.

Thanks to its richness in bioactive marine nutrients, merLIX™ supports a holistic approach to vitality and functional nutrition.

Derived from **sustainably sourced** North Atlantic **herring milt**, merLIX™ preserves the unique matrix of **marine DNA** and **nucleotides**, **arginine-rich bioactive peptides**, **omega-3 fatty acids**, **polyamines** and **phospholipids** through a proprietary hydrolysis method.

**merLIX™ offers a multitude of health applications powered by its high nucleotide content:**

**SENIOR NUTRITION**  
Supports cellular vitality and healthy ageing.†  
Dose: 400 mg per day

**SPORTS NUTRITION**  
Supports energy metabolism and physical performance.†  
Dose: 200 mg per day

**INFANT NUTRITION**  
Supports healthy growth and development.†  
Dose: 125 mg/L formula

**IMMUNITY NUTRITION**  
Contributes to the normal function of the immune system.†  
Dose: 400 mg per day

**PET NUTRITION**  
Promotes healthy ageing, cellular regeneration and immunity.†

**DOSAGE FORMS**
